U.S. House of Representatives

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D. C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Comprehensive Supports for Victims of Gang-Related Domestic Violence and Human Trafficking Project in Fiscal Year 2027. The entity to receive funding for this project is 180 Turning Lives Around, Inc., located at 40 Monument Street, Freehold, New Jersey, 07748.

The funding would be used for case management and coordination with prosecutors and law enforcement, specialized counseling, programs for education on legal rights as victims, and referral to housing, mentorship, transportation, and life-skills building.

The project is an appropriate use of taxpayer funds because it will help bring justice to victims of gang-related domestic violence and trafficking and to enable them to live productively and independently and reduce future dependence. Interventions provided can end the cycle of intergenerational abuse, preventing future criminal acts and trauma.

The project has a federal nexus because the funding provided is for purposes authorized under section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Herb Conaway, Jr.", written in a cursive style.
