The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Probasco Road Freight Bypass in Fiscal Year 2026. The entity to receive funding for this project is the Township of East Windsor, located at 16 Lanning Boulevard, East Windsor, NJ 08520. The funding would be used for the completion of the Probasco Road Freight Bypass to divert truck traffic from residential roads by constructing a direct exit ramp from NJ Route 133 to Wyckoff Mills Road, improving safety, and supporting regional economic growth.

The project is an appropriate use of taxpayer funds because by routing freight traffic onto roads designed for trucks, we will reduce negative impacts on pedestrians, residential areas, and infrastructure.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
