The Honorable Tom Cole

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Lawrence Township Community Center Improvements in Fiscal Year 2026. The entity to receive funding for this project is Lawrence Township, located at 2207 Lawrenceville Road, NJ 08648.

The funding would be used for interior renovations to the Lawrence Neighborhood Center, transforming it into a centralized community hub that offers programming, cultural and recreational activities, and education and training resources for residents.

This project is an appropriate use of taxpayer funds because it renovates an outdated community center to provide accessible restroom facilities, modernized office space, upgraded technology, and recreational amenities, transforming it into a centralized Community Center that offers cultural, educational, and recreational opportunities for all residents.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
