The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Lumberton Municipal Recreation Field Lighting Improvements Project in Fiscal Year 2026. The entity to receive funding for this project is Lumberton Township, located at 35 Municipal Drive, Lumberton, NJ 08048. The funding would be used for the construction of four stadium lights and electrical service at a community field to address safety concerns and allow evening use.

This project is a good use of taxpayer funding because it aims to install lighting at the existing field—currently lacking it—to improve safety and expand community use of the field, playground, and field house during afternoon and evening hours for sports, recreation, and local activities.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
