The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Don Deutsch Soccer Field Improvements Project in Fiscal Year 2026. The entity to receive funding for this project is the Township of Delran, located at 900 Chester Avenue, Delran, NJ 08075. The funding would be used for improving the field by paving the parking lot, upgrading lighting, and adding striping to enhance safety, extend usage hours, and support recreation and soccer programs.

The project is an appropriate use of taxpayer funds because, through this project, the Township anticipates that local residents and athletic clubs will be able to use and enjoy Don Deutsch Field more frequently. The planned upgrades are expected to have a positive impact on the surrounding neighborhoods.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 5305(a)(1) and 42 U.S.C.5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
